

# The Kate Moss Portfolio

How do I love thee? Let me count the ways. We've enlisted some of the world's top photographers and artists to give us their interpretation of the divine Ms. M. Then comes "Seduction," with sensual furs and short skirts. Next, it's on to "Viva Las Vegas," in which naughty-by-nature lingerie takes up residence in the world capital of the striptease. Finally, with a quick change of tone, "Castle Queens" is a jaunt to Alnwick Castle, the seat of the Duke of Northumberland. The fashion: riding looks, schoolgirl plaids and ball dresses for grand entrances.

She first captured our attention as a reedy teenager a decade ago, and in the ensuing years Kate Moss has become an international icon and a muse to photographers, designers and fashion editors alike. Here, in a visual ode to the supermodel, *W* unleashes a host of the world's most accomplished photographers and artists on Kate, with results ranging from spectacular nudes to cheeky games of dress-up, from classic fashion shots to subversive commentary on pop culture.
